1           A.     I suppose I take issue with the word  
2     "transit." When I think of transit, I'm thinking  
3     purely of the mailing process. And like I said, I'm  
4     not sure what happened between mailing and it being  
5     processed at the Board of Elections.

6           Q     Okay. I believe that your testimony  
7     earlier is that the My Voter Page indicated your  
8     ballot was received on November 13th, 2018; is that  
9     correct?

10          A.     I don't remember the exact wording on the  
11     My Voter Page, but that sounds right.

12          Q.     Okay. If your ballot was not received by  
13     the appropriate entity in time for your vote to count  
14     in the November 2018 election, I suppose just assuming  
15     that premise, would it be fair to say that your issue  
16     is with that? The time of travel, the inability to  
17     get the ballot to where it needs to be by that date?

18          A.     Yes.

19          Q.     You indicated earlier that you understood  
20     Fair Fight Action to be founded or affiliated with  
21     Stacy Abrams, correct?

22          A.     Yes.

23          Q.     Did you submit your Declaration in any way  
24     or in part to assist or support Ms. Abrams?

25                   MS. COGAN: Objection.
